

# ParAmerica Training Evaluation Form

Name (Optional): \_\_\_\_\_

Nobody likes paperwork, but sampling student reaction to instruction is critical to improving our training program. Please answer the following questions to the best of your ability. Participation is voluntary and *you are not required to provide your name*. The information you provide is treated confidentially; it is used to improve the quality of our instruction and monitor student progression. Please check the response that indicates your level of agreement or disagreement. Comments are encouraged regardless of the rating. Please fill out this form only after all instructional methods associated with this lesson are complete. Thank you for your time and feedback!
